Ideally after July 10. He's flexible on date, but would be flying out from Casper, WY for the meeting so the sooner we could plan, the better.

Caroline,

I hope this note finds you well. Thank you for your help scheduling a meeting between the Secretary and IPAA tomorrow.

I have an additional request for you. One of my members, Diemer True is involved with a captive breeding program for the Greater sage grouse. Given the Secretary's Recent Order #3353 and interest in innovative ways to promote sage grouse populations, I think it would benefit for him to hear about Diamond Wings Upland Game Birds LLC, which has a proven record of raising over 700,000 game birds in Wyoming since 1995.

Would it be possible to setup a meeting between Diemer and the Secretary in Washington, DC?

Thanks in advance for your consideration of this request. Please feel free to reach out to me or Diemer (cc'd) with this request.

Kind regards,

Sam
